that the prayer of the Safe Servants of the Temple to enjoy the inam lands during their life-time in accordance with G.O.no 1580-71 Rev. 7 84-05 Dy 10 4. 06 g. may be granted.

The Dy. Commr does not say that lands were in the enjoyment of the Safe-servants.

In their petition Dy 8 5 06 16, the Safe Servants pray for the restoration of 9 S. nos. of Alampiri originally in their possession and enjoyment (Vide also extract from the Jmit-rent register filed with the Revenue report). These lands measure 28-4 a f and assessed at Rs 58-4-0

If the Dy. Commrs recommendation is sanctioned, it is a question whether the first item of receipts viz Rs 657/ being the assessment on the entire Temple lands, shown in the scale of income and expenditure sanctioned for this institution, will not have to be proportionately reduced.

ans
2/10/17 The Tafe Servants are enjoying the lands even nowpaying full assessment. So the question of applying the G.O. of April 1909 does not arise - In common with other temple Servants, these have been called upon to pay full assessment; that is all - they have not been dealt with harshly in any away - as Tafe Servants. - His view of the matter may be pointed out to the Dy Com[r].

like the other temple servants get. cash endowments, the ryot people get nothing. Not is when the decision claim comes in and is under the G.O of 1909 have a right to enjoy the endowments for life, they have a claim to enjoy the Service lands in their enjoyment unpayment of such fair and cess as are payable by ryot.

Sanction the Dy Com's recommendation. The Scale provides for a Saving of 10% and this will be diminished for lands
